1) For safety reasons, in case of disproportionate reel dimensions, two narrow reels are packed together.

2) Standard pallet is wooden non-stop pallet which is heat treated and marked according to the ISPM 15 standard.

3) Quantity tolerances of FBB/FSB products are doubled upwards or downwards in case the order is placed with

MIN or MAX quantity requirement to maintain the same total quantity tolerance for all order types.

4) All packing materials are recyclable depending on local recycling systems.

5) For FBB grades, available ≤290gsm.
